

VOLUNTEER ROLES

at Christ Central Church

USHER

Ushers are a welcoming presence in the sanctuary, helping people find their way and performing essential duties throughout the worship service.

WELCOME TABLES

The welcome table volunteers are helping new guests and regular attenders alike get further connected into the life of Christ Central.

SIGNAGE

The signage volunteers help Christ Central make its presence known by putting out signs to help new guests find parking and other helpful landmarks.

VIDEO TEAM

The video team assists the Communications Director in the production of a live stream of the service. These volunteers should have technical proficiency and some background in video and/or production (volunteers will be trained on the particulars).

AUDIO VOLUNTEER

The audio volunteer assists the sound engineer with balancing the audio mix for the in-sanctuary and stream sound.

VOLUNTEER ROLES

with Central Kids

We have teams for each age group. A team consists of 2-3 volunteers. We have some paid childcare staff working in some rooms. Some of our roles require a little extra training, but most of them are easy to step into with a quick introduction/orientation.

CHECK-IN TEAM

Our Check-in Team welcomes kids and families, gives high fives, and helps parents if they have any questions as they arrive in Central Kids. They ensure that the check-in stations are up and running smoothly. After check-in, our check-in team helps with one of the classrooms that needs the most help based on numbers.

SEEDSHOP TEAM

Our SeedShop Team helps take care of our youngest children from 0-17 months. They welcome and comfort babies at drop-off. They hold babies. They play on the floor. They read and sing to the children in their room. The SeedShop Team's biggest goal is to show God's love to the little ones by being with them and building relationships with the children and their parents.

GARDEN TEAM

Our Garden Team helps take care of our toddlers from 18-35 months. They welcome toddlers at drop-off. They hold and comfort toddlers who are having a rough morning. They play on the floor, read and sing to the children. They help children make crafts and read a short Bible story to the children. The Garden Team's biggest goal is to show God's love to the toddlers by being with them and building relationships with the children and their parents.

GREENHOUSE TEAM

Our Greenhouse Team leads our 3 year olds in the lesson for the week (you do NOT have to write or prepare anything for the lesson). When volunteers arrive in the classroom, the team will meet for a quick huddle prior to children arriving. This meeting will serve to give an overview of the lesson and delegate tasks (leading certain activities, handing out supplies, bathroom breaks, clean up, check in).

FOREST TEAM

Our Forest Team leads our 4-5 year olds in the lesson for the week (you do NOT have to write or prepare anything for the lesson). When volunteers arrive in the classroom, the team will meet for a quick huddle prior to children arriving. This meeting will serve to give an overview of the lesson and delegate tasks (leading certain activities, handing out supplies, bathroom breaks, clean up, check in).

TREEHOUSE TEAM

Our Treehouse Team leads our Kindergarten through 3rd grade in a mini-service. You do NOT have to write or prepare anything for the lesson. Most everything will be prepared for you before you arrive to serve. Within the Treehouse there are storytellers, assistants, and small group leaders.

When volunteers arrive in the classroom, the team will meet for a quick huddle prior to children arriving. This meeting will serve to give an overview of the lesson and delegate tasks (who is telling the story, who is leading a small group, who will hand out supplies, how will bathroom breaks go, who will handle check in, what needs to be set up or cleaned up).

TEAM LEAD TEAM

A Team Lead is a volunteer who ensures a safe and smooth service for Central Kids. The Team Lead oversees logistics, follows protocol, supports volunteers, and makes Sunday mornings a special place where all volunteers, staff, and kids feel prepared for, cared for, seen, and heard.

CENTRAL KIDS BUDDY

A Central Kids Buddy is a volunteer who is paired up with a child of any age who needs more one-on-one time with a leader in the classroom. The role of a Central Kid Buddy is to help our friends who may learn differently or need extra attention feel included, prepared for, and cared for in each of our Central Kids environments.
